In this example: Staples' External Catalog Site allows the user to create a List in their site consisting of frequently needed or specific items.

The screenshot displays the TGM Shopper interface. At the top, there is a header with a navigation bar containing the text "TGM Shopper", a star icon, a flag icon, a notification bell icon with a red "1", and a shopping cart icon with the text "419.96 USD". To the right of the cart is a search bar with the placeholder text "Search (Alt+Q)". Below the header is a banner with three images: a peach, yellow flowers, and a landscape. The main content area features a "Shop" dropdown menu with "Everything" selected, and a "Go" button. Below this is a navigation bar with links for "Go to: advanced search | favorites | forms | non-catalog item | quick order" and "Browse: suppliers | categories | contracts". The main content area is divided into two sections: "OFFICE & LABORATORY SUPPLIES SWC VENDORS' CATALOGS" and "TECHNOLOGY SWC VENDORS' CATALOGS". The first section contains three vendor cards: Staples (Office Supplies), VWR (Biological & Laboratory), and Fisher Scientific (Biological & Laboratory). The second section contains six vendor cards: Lenovo (PC Hardware, Related Equipment), Howard (PC Hardware, Related Equipment), Dell (PC Hardware, Related Equipment), HP Invent (PC Hardware Related Equipment), IBM (Servers & Storage), and Dell (Servers & Storage). A seventh card for Hewlett Packard Enterprise (Servers & Storage) is partially visible below the Lenovo card.
